MOTTO

To grow in wisdom.

VISION

Nurturing the talent of future generation and equipping them with the necessary skills, knowledge and attitudes needed to shape their own destiny.

MISSION

Attainment of higher standards of excellence through exploration, innovation and adaptation.

Mr Ajay Bhatia

President, Pratap Group of Institutions

Pratap Public School, a renowned chain of progressive and futuristic educational institutions, is run and managed by the Rai Saheb Ch. Pratap Singh Charitable Trust, which was registered in June 1964.

The Trust laid the foundation of Pratap Public School Karnal, in 1975. Over the years, the institution has grown from strength to strength, achieving remarkable milestones in the field of education. The school was affiliated with the Central Board of Secondary Education (CBSE) for instruction up to 10th grade in 1985, and was subsequently upgraded to the Senior Secondary level in 1989.

Encouraged by the success of PPS, Jarnailly Colony, a second school was established at Sector-6, Karnal, in 1992, for imparting education from Nursery to Senior Secondary level.

In keeping with its commitment to extending quality education to rural and semi-urban areas, the Trust opened another branch at Jundla in 2009, followed by one more on the outskirts of Panipat in April 2013. Both these branches are also affiliated with CBSE up to the Senior Secondary level. Pratap Public School remains steadfast in its mission to provide quality education in a child-friendly environment through innovative teaching methodologies and an activity-oriented curriculum. While academic excellence continues to be the core focus, the school places equal emphasis on the holistic development of its students. Training in communication, computer science, sports, performing arts and life skills forms an integral part of the school's educational framework.

The campuses are well-equipped with state-of-the-art facilities that encourage both physical and creative growth. Students have access to extensive sports infrastructure including athletics, table tennis, cricket, basketball, pickle & paddle ball, volleyball, badminton and a wide range of cultural and co-curricular activities.

From a humble beginning with only 80 students, Pratap Public School today stands as a beacon of educational excellence, nurturing the dreams and aspirations of over 8,000 students across its various branches.

AIMS & OBJECTIVES

The school prepares students for the All India Secondary and Senior Secondary Examinations of the Central Board of Secondary Education, New Delhi.

The aim is to:

- Achieve academic excellence and foster a love for lifelong learning.
- Develop critical thinking, creativity and scientific temper.
- Unlock the full potential of every student through holistic development.
- Instill leadership, discipline and dignity of labour.
- Nurture responsible, ethical and socially conscious citizens.
- Foster a secular, inclusive and tolerant outlook.

ADMISSION

Open to all boys and girls, irrespective of social status, caste or religion.

Classes Offered:

- Nursery to Grade 9 and Grade 11 (subject to availability of seats)

Age Criteria (as on 31st March of the admission year):

- Nursery: 3 years and above
- LKG: 4 years and above
- UKG: 5 years and above
- Grade 1: 6 years and above

Documents Required:

1. Self-attested photocopy of the child's birth certificate.
2. Passport-size photographs of the child, mother and father.
3. Self-attested photocopy of Aadhaar card.
4. Report card of the previous class if attended.
5. Transfer Certificate (TC) from the last school attended.
6. Medical certificate, if applicable for any disability.

The school has put excellent infrastructure in place to create a safe, comfortable and stimulating learning environment for students. It has established full-fledged laboratories for each discipline. These laboratories strengthen classroom learning through hands-on experiences, and are upgraded periodically to incorporate emerging technologies, scientific innovation and evolving curricula.

Every classroom in the senior section is equipped with [interactive flat panels](#) that make teaching more efficient, engaging and productive. Colourful images, 3D models, videos, websites and apps encourage active learning, while games and quizzes make learning exciting.

[The English Language Lab](#) is equipped with advanced audio-visual, IT software and multimedia tools that provide a digital learning platform for students to enhance their listening, speaking, reading and writing skills. It also focuses on pronunciation, grammar and overall confidence of learners.

The school curriculum is aligned with the national curriculum framework (NCF)2023, and is designed to provide learner centred education that prepare students for the future.

Foundational Stage (Pre-primary to Grade 2)

- Play-based and activity-oriented learning to develop early literacy, numeracy and motor skills.
- Encourages curiosity, creativity, and social-emotional development.
- Focus on exploration and experiential learning.

Preparatory Stage (Grades 3–5)

- Builds strong academic foundations in language, mathematics and sciences.
- Introduces critical thinking, problem-solving and collaborative learning.
- Encourages hands-on projects and experiential learning.

Middle Stage (Grades 6–8)

- Emphasis on conceptual building and integrated learning.
- Develops analytical thinking, independent learning and research skills.
- Encourages participation in arts, sports and co-curricular activities.

Secondary Stage (Grades 9–12)

- Prepares students for CBSE board examinations and higher education.
- Focus on in-depth subject knowledge, critical thinking and 21st-century skills.
- Promotes leadership, social responsibility and holistic development.

LIBRARY

The legendary Pratap Public Library-the first of its kind in Karnal -predates the establishment of Pratap Public School. The library boasts of an impressive collection of over 65,000 books on a wide range of subjects including reference books and encyclopedias.

In addition to Pratap Public Library, each school has a well stocked independent library to inculcate the habit of reading among pupils from an early age. The libraries also subscribe to a number of newspapers, magazines and journals. Furthermore, the school has a structured class-library system ensuring regular and easy access to reading material for all students.

Shaping Eco- Sensitive Leaders of Tomorrow

The school is committed to creating an eco-sensitive generation that embraces a pro-planet lifestyle. The School Eco Club engages students through awareness programs and hands-on initiatives.

Key Initiatives:-

Chemical fertiliser-free campus and organic composting projects.

Reusing discarded plastic bottles to construct an eco wall.

Rainwater harvesting systems under Jal Shakti Abhiyan.

THE HALL OF FAME

Dr Raghubir Hall of Fame depicts the lives of about hundred and fifty towering world personalities. Starting with Leonardo da Vinci, it portrays the lives of some of the most famous personalities right upto the present time.

With a seating capacity of 300 persons, it also serves as a venue for various cultural programmes, seminars and workshops.

AUDITORIUM

The auditorium at Sector-6 school is a colossal structure equipped with ultra-modern lighting and sound facilities. The edifice serves as venue for all the major school events, including intra and inter-school competitions.

CULTURAL EXCHANGE PROGRAMME

The Global Exchange Programme provides students with opportunities to engage with international schools and cultures. It promotes global awareness, collaboration and cross-cultural understanding.

NATIONAL CADET CORPS

NCC provides myriad opportunities for developing values like self-discipline, humility, selfless service etc. Students can enroll themselves in NCC-Army wing, 7 Haryana Battalion:

- Junior Level (classes IX and X)
- Senior Level (classes XI and XII)

Students are awarded 'B' Certificate after the successful completion of two years of NCC.

BHARAT SCOUTS AND GUIDES

The School's Scouts and Guides Movement enrolls the students of Class III to X. Scouting and Guiding is education for life as it helps in formation of character, building healthy habits, developing life skills and instilling values to serve humanity selflessly.

NSS (NATIONAL SERVICE SCHEME)

The National Service Scheme (NSS) in the school aims to develop students' sense of social responsibility, leadership and community engagement. Through various service activities such as cleanliness drives, awareness campaigns and community outreach programmes students learn the values of teamwork, empathy and citizenship.

SPORTS INFRA

At PPS, sports go beyond recreation—they are a pathway to growth, discipline and even potential careers. Our playgrounds are thoughtfully designed with swings and slides for younger children, while our world-class sports facilities cater to aspiring athletes.

- First in the city to offer **Pickleball and Paddleball**.
- **Synthetic Lawn-Tennis court** of international standards.
- **Cricket Academy** for children of all age groups, guided by qualified and experienced coaches.

BASKET BALL

CRICKET

FOOTBALL

ATHLETICS

EPDM KIDS' ZONE

JUNGLE GYM

TOURS & EXCURSIONS

Study tours and excursions, ranging from one-day trips to long distances and international tours, form an integral part of the school curriculum. They provide the impressionable minds a real-world exposure to diverse cultures, cuisines, heritage sites and natural landscapes. Such journeys broaden their outlook, foster appreciation for diversity and create memorable learning experiences.

RAISING RESILIENT MINDS

The school prioritizes the emotional well-being of every student. Our qualified counsellors provide guidance and support, encouraging children to share their thoughts and feelings openly in a safe, caring and non-judgemental environment.

SAFE LEARNING ENVIRONMENT

The child's safety and well-being are our highest priorities. We are committed to providing a caring and secure environment where every student can learn, explore and grow with confidence.

- Round-the-clock CCTV monitoring across the campus.
- Elevators with safety features for students with special needs.
- Well-equipped infirmaries with trained nurses and medical support, including wheelchairs.
- Modern fire safety systems to keep everyone secure.
- **Scan N Done** school software to ensure safe pickup of students.

INTANGIBLE LEARNING

Our school fosters a love for the arts through well-equipped studios for visual arts, music and dance. Students are guided to develop their skills, showcase their talent and gain confidence in their creative abilities.

AWARDS AND RECOGNITIONS

Dr Raghbir Singh Excellence Award is conferred upon students for achieving academic excellence in class XII Board Examination.

1. ₹ 51,000/- to the National Topper.
